John,
The Haystack Mines Site AOC has now been signed by Regions 6 and 9, and will be effective on May 15, 2017. Steve Calanog, our OSC, has separately notified Mike Makerov at BNSF and sent him the final, signed version. I am also attaching that version here. We did make a change to Paragraph 113 because we ended up having the Superfund Division Director in Region 9, sign, rather than the Assistant Director.
Please let me know if you have any questions.
Thanks.
Sarah
